

	<p>CYCLONAIRE: Pneumatic Conveying Systems: Dense Phase, Semi-Dense Phase, Dilute Phase, Small Dust Collection Systems, Railcar/Truck Unloading and Loading Systems, Eductor Systems. Bulk Bag Unloaders and Fillers. Complete Turn-Key Projects: Including Engineering and Structural. www.cyclonaire.com</p>
	<p>BACT: Air Pollution Control: Baghouses: Pulse Jet Design, Cartridge Collectors Absorbers: Spray Tower, Tray Tower, Packed Tower, Odor Control and Gaseous Pollutant Removal Air to Air Heat Exchangers: Cool Dirty Gas Streams Spray Coolers: Product Cooling Thermal Oxidizers and Wet Scrubbers: Mult-Element and Packed Tower, Removal of particulate and gaseous pollutants, Particulate Removal. www.bactprocess.com</p>
	<p>PRATER: Particle Size Reduction: Lump Breakers, Hammermills, Mega Mills, Fine grinders, Classifier Mills. Feeding & Metering: Rotary Airlock Feeders Sizing and Separation: Rotary Sifters, Vibrating Screens, Air Classifiers. www.praterindustries.com</p>
	<p>INDUSTRIAL MAGNETICS: Draw Magnets, Grate Magnets, Plastic Processing Magnets, Pneumatic Line Magnets, Suspended Magnets, Drum and Pulley Magnets, Custom Engineered. www.magnetics.com</p>
	<p>STERLING SYSTEMS & CONTROLS: Provides efficient solutions: Batching, Micro, Minor, Bulk Weighing Systems and Plant/System Automation. Specializing in data management, raw material and production data tracking. www.sterlingcontrols.com</p>
	<p>MINEBEA INTEC: Foreign Body Detectors and Checkweighers: Industrial Metal Detectors, X-ray Inspection-Packaged Food Products, X-Ray Inspection-Bottles, Cans, Jars and X-Ray Inspection-Bulk Materials. www.minebea-intec.com</p>
	<p>UWT LEVEL CONTROL: Level Indicators – Point Level Measurement – Rotary Paddle, Vibration Fork, Vibration Rod and Capacitive. Continuous Measurement – Lot Sensor and Radar Sensor. Interface Measurement – Level detection of Solids in Liquids. Visualization – Level Monitoring, Project Planning and Service. For Hoppers, Tanks, Silos, etc. www.uwtlevel.com</p>
	<p>SMICO SYMONS: Complete line of Round Separators and Rectangular Separators allows for better efficiency for any application. Replacement Screens, Parts and Motors. Vibrating Feeders, Pan Feeders, Conveyors and Grizzly. Ribbon and Paddle Mixers. www.smico.com</p>
	<p>A&J MIXING: Ribbon Mixers, Paddle Mixers, Continuous Mixers, Industrial Hoppers. Serving – Food, Animal Feed Vitamins, Chemicals & Plastics, Biomass, Cement. www.ajmixing.com</p>
	<p>ORTHMAN: Mechanical Conveying: Screw Conveyors, Shaftless Conveyors, Screw Mixing Conveyors, Screw Feeders, Drag Conveyors, Paddle Mixers, Belt Conveyors, Bucket Elevators, Hoppers, Bins & Chutes. www.orthman.com</p>
	<p>CSE BLISS: Hammermills and Parts: Refurbishing Hammermills, Parts, Hammers and Screens. Servicing the Pet Food, Poultry, Feed Mills and Pulp/Paper Rotary Feeders: New and Refurbished. www.csebliss.com</p>
	<p>H&H DESIGN: Bag Filling: Single & Twin Screw Design, Interchangeable Heads. Bulk Bag Unloading and Filling, Flexible Augers, Belt Conveyors, Bag Seal Machines, Robotics and Palletizing. www.hhdesignmfg.com</p>
	<p>CAMCORP: Custom Engineered Filtration: Baghouse Collectors, Pulse-Jet, Reverse-Air, Explosion Containment, Portable, Cyclones, ASME Code Collectors. Pneumatic Conveying Systems: Dilute Phase, Central Vacuum Systems, Blowers, Diverter Valves, scale hoppers, Silos, etc. www.camcorpinc.com</p>
	<p>B&P LITTLEFORD: Batch and Continuous Mixers, Blenders, Granulators, Double Arm Mixers, Plow Mixers, High Intensity for PVC Compounding, Dryers, Extractors, Sterilizers, Reactors. Serving Pharmaceutical, Chemical and Food. Chemical Extraction and Separation Equipment: Twin Screw Extruders: Continuous Kneader, TriVolution Tri-Kneader. Centrifuges: Pods, Pushers, Decanters. www.bplittleford.com</p>
	<p>LANCASTER PRODUCTS: High and Low Shear Mixers, Laboratory Mixers, Pug Mills, Roll Crushers, Table Feeders, Automated Systems, Brick machines. www.lancasterprd.com</p>
	<p>Conveying Line and Elbows (Aluminum, Carbon Steel, Stainless Steel) Ceramic Lined, Heli-Groove, Shot Peened, Compression Couplings, Quick Fittings, Sight Glasses, Flexible PVC and Stainless Steel Conveying Hose. www.pneuveysystems.com</p>
